

WOLFSON COLLEGE

Parking Policy

1. Introduction

The College has a very generous level of car parking around most of its buildings and for the majority of the time this is more than adequate to cope with all the parking demand. The College is committed to reducing its carbon footprint by encouraging environmentally friendly forms of travel wherever possible. Those who do wish to park at the College must comply with this Policy.

2. Policy Statement

The College does not guarantee parking facilities to any members of the College, staff or visitors to the College, unless they are driving a College-owned or College-leased vehicle. All spaces are on a first come first served basis.

Users of the College car parks do so at their own risk and Wolfson College cannot accept liability for accident, loss or damage to the vehicle (or to the contents of the vehicle) howsoever caused. Granting of permission to park by an officer of the College does not constitute any admission of liability.

All members of the College and staff must display a current parking permit.

3. Parking Permits

The College operates a system of parking permits for Fellows, Students, Staff, Members of Common Room and visitors. Parking permits allow quick and easy identification of vehicles and allow College staff to contact owners if required. Permits are renewed annually in January.

Parking permits are issued in the following colours, and allow parking in the following areas:

College Member	Colour of Permit	Where permitted to park
Fellows	Green	South and West
Student - Resident main building, Robin Gandy, M Block and Catherine Marriott Building	Yellow	Underground Garages
Student - Resident, Annex, 21, 23,25,31 Linton Road, 14 and 16 Chadlington Road	Orange	In grounds of accommodation property lived in

WOLFSON COLLEGE

Parking Policy

Students – Non-resident	Pink	South, North and West car parks
Common Room Members	Pink	South, North and West car parks
Staff	Blue	South or North car parks

4. Fellows

All Fellows will be issued with a parking permit on completion of a permit application form and are entitled to park in all areas of the College excluding the under-ground parking on the main site (unless the Fellow is a resident). Fellows are requested to use the South car park at all times unless its full, when the West car park should be used.

5. Residents (Students and Others)

All resident students are entitled to apply for a parking permit. All vehicles parked on College grounds must be road legal at all times and proof of vehicle registration, current MOT certificate and Certificate of Insurance may be requested along with a completed permit application form before a permit is issued. Any resident changing their vehicle must apply for a replacement permit. This will be issued on surrender of the old permit and, if requested, the new vehicle documentation should be produced.

For residents in the Main Building, Robin Gandy, M Block and Catherine Marriott Building, permits are issued for the underground car parks along with a car park key for which a deposit and fee are charged.

For residents in The Annex, Garford Road, 21, 23, 25, 31 Linton Road, 14 and 16 Chadlington Road permits allow residents' cars to be parked only in the grounds of the accommodation in which they live, except with permission from the Accommodation Office.

6. Graduate Students (non-resident) and Members of Common Room

All non-resident graduate students and Members of Common Room will be issued with a parking permit on request. Proof of vehicle registration, current MOT certificate and Certificate of Insurance may be requested, along with a completed permit application form, before a permit is issued. Parking is only permitted when visiting College, and cannot be used as parking to visit elsewhere.

Parking Policy

7. Staff

All full and part-time college staff will be issued with a parking permit on completion of a permit application form. Temporary staff will be issued with a temporary parking permit to cover the length of contract. Students working at the College are not entitled to apply for staff parking permit but can apply for a student parking permit as described in 5 or 6. Staff are required to use the South car park or, if this is full, the North car park.

8. Visitors and Conference Visitors

Visitors should use the West car park. Only when this is full they should use the South car park. Conference visitors may park up to six cars per conference. If a conference wishes to bring more cars in to the College this must be by special arrangement with the Events & Sales Officer.

9. Contractors

Contractors must report to the Lodge on arrival at the College and will be issued with a Contractors' Parking Permit. Permits are normally issued on a daily basis unless exceptional circumstances apply. Contractors are normally required to park in the North car park unless this is not practical due to the location of the contractors' work.

10. Leaving vehicle on College premises

No vehicles are permitted to remain parked in the North, South or West Car Park overnight unless they are for residents and visitors staying in College guest room accommodation and displaying the Guest Room Parking Permit or unless special permission has been granted by the Home Bursar.

11. Charges

The College reserves the right to make charges for car parking and to increase these charges or implement charges in areas that are currently free of charge at any time with one (1) months notice.

WOLFSON COLLEGE

Parking Policy

12. Motor-cycles and bicycles

Motor-cycles

All members of the College may park motor-cycles at the College free of charge during the day. Residents with motor-cycles must have a garage space and be registered with the Accommodation Office. Permits do not need to be displayed.

Bicycles

These may be parked free of charge, provided they are parked in the cycle areas provided and carry the correct colour string (colour changes every year) issued from the Lodge or Accommodation Office.

The College reserves the right to chain or remove motor-cycles or bicycles parked in breach of these requirements and owners may have to wait for release.

13. Parking for persons registered disabled

The College provides two parking spaces marked 'disabled only'. These are located in the West Car Park and in the South Car Park. These may only be used by persons who are registered with the local authority as disabled and are blue badge holders. Temporary permission may be given at the discretion of the Home Bursar to allow members of the College to use 'disabled only' parking spaces for short term medical conditions.

14. Restricted Parking

No Fellow, student (resident or otherwise), member of staff or common room is permitted to park in spaces marked for persons with a disability (unless displaying a blue badge), on double yellow lines, on grass verges, in spaces marked reserved, double parked across other parked cars or any other area that may prove to be a hazard or is considered to be a hazard by the Home Bursar.

15. Warning Notices

Illegally parked cars or cars failing to display a current parking permit will have a warning notice attached. In the first instance these will be easily removable non-adhesive notices and will generally be placed on the windscreen of the vehicle. If it is necessary to attach further warning notices these will be self adhesive

WOLFSON COLLEGE

Parking Policy

stickers and will require wetting to remove. These will be placed in such away so as not to obstruct the drivers' view.

16. Safety

Please drive slowly (5 mph maximum) and safely around the college site at all time.

17. Locking of the gates to the South car park

The gates to the South car park are locked every night from 11.00pm until 7.00am. Vehicles left in this car park will be locked in if not removed by 11.00pm and will not be released until 7.00am. The College reserves the right to lock these gates at any other time without notice. There is no public right of way through any of the College buildings or cross the footbridge or any of the College land, with the exception of the marked footpath around the meadows.
