EQUAL OPPORTUNITIES APPLICANT MONITORING FORM

CONFIDENTIAL

This form is available in an alternative format, if required please contact the HR Manager.

Please complete this form if you are applying for a position at Wolfson College

The Equality Act 2010 brings together and extends existing equality legislation. The Act introduces protected characteristics in relation to which discrimination is unlawful. The protected characteristics under the Act are:

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity

- race
- religion or belief (including lack of belief)
- sex
- sexual orientation

Higher education institutions have a duty to have effective arrangements for the collection and analysis of data for equality monitoring purposes. Any information given will be used *only* to support the College's diversity and equal opportunities policy and in accordance with the principles of the Data Protection Act 1998. The information will be entered on a computer in Wolfson College and will be kept strictly confidential and separate from your name and your application. It is not part of the selection process. The information you give will be retained only for statistical purposes and is anonymous. The reference at the top of the page is the date the job advert closed, so that we know the year and month the data was collected in, which assists with analysis.

The policy and practice of Wolfson College require that entry into employment with the College and progression within employment will be determined only by personal merit and the application of criteria which are related to the duties of each particular post. Subject to statutory provisions, no applicant or member of staff will be treated less favorably than another because of any of the above protected characteristics. In all cases, ability to perform the job will be the primary consideration.

Please answer the questions by completing or ticking the appropriate box.
